Hi Parents!

I hope everyone had a nice, relaxing weekend. For language arts, we will be working on comparing and contrasting, as well as writing statements and questions. For reader's workshop, students will be working on word attack strategies. In math, all classes are working on their basic addition and subtraction facts by focusing on strategies to help build fact power. To help with subtraction, encourage your child to think about the related addition fact. Our Halloween party will be next Wednesday, October 31 from 10:00 to 11:00. If you would like to help with our party, please let me know as soon as possible. All volunteers must complete a background check.

Have a great week!

☺Amy
