Hi Parents!

This week we will start Unit 3 in math. During this unit, students will develop more fact strategies with a focus on strategies for solving subtraction facts. In language arts, will work on finding the main idea of a passage and work on writing topic sentences.

If you have not signed up for a conferences on November 8 and 15, please do so as soon as possible. If you are unable to find a time that works, please let me know. We can arrange another time before or after school.

Thank you to everyone who was able to help out with our Halloween party last week. The kids had great time!

Have a great week!
