Dear Parents,

On Monday, we had our first school day in fall. We took a test. We learned about even and odd numbers. Some of us played in the sand, and some of us played soccer. We learned a new tall line letter. We had an awesome day!

On Tuesday, we had a good day. We went outside with Coach Rob. We played Switch inside and outside. We had indoor recess. We coded on our calculators and computers. We had art. We used paint sticks in art.

On Wednesday, we celebrated Harlow's birthday. We made her birthday cards. We got putty from Harlow. We did coding on the computer. We had gym and it was fun! We had a good day!

On Thursday, we celebrated Bodie's birthday. Some of us played soccer. We had some peace and quiet. We did unfinished work. Some of us coded. We had science.

On Friday, we had a good day. We wrote and drew a summer memory. Some of us played soccer. Others played Ships Across the Ocean and Switch. We had gym and music.

Books we read together: Julius, All About Sam, and many, many more!
