Dear Parents,

On Monday, we read from our book bags. We got seconds at lunch. We did the calendar. We had science. We had fun!

On Tuesday, we had a hard time being quiet in the morning. We shared a place that we would never want to visit. Some of us played soccer. We wrote in our writing notebooks. We had music and gym.

On Wednesday, we used calculators in math. We had a fun morning. We had a rough afternoon. We had art. We painted in art.

On Thursday, we had library. We had indoor recess. We had so much fun during indoor recess. Some of us played with Beanie Babies. We used the Chrome books. We wrote about what we did after school. We had a hard time with transitions.

On Friday, we did Math Boxes. We did a challenge with gum drops and popsicle sticks. We all worked together to make a structure with the gum drops and sticks. One group's structure held 15 books and a box of tissue. We had science. We had a great day!

Books we read together: How to Code a Sandcastle, Owen, Dragon Gets By, and many, many more!

Have a great weekend!
